

## PRESENTATION GUIDELINE FOR THE 5<sup>TH</sup> APA CONFERENCE

Guidelines for presentations based on the acceptance type of the following sessions:

### (1) Live Session

The presenters are required to send a 7-minute pre-recorded video presentation by 14 July 2021 as back up if there are technical issues during the live sessions.

Please upload your video presentation file to any cloud service such as Google Drive, OneDrive, Dropbox, or Box and create a sharable link. Provide us with link to the file via the submission form here: <https://app.oxfordabstracts.com/stages/1424/submitter> In addition, kindly verify that all information on your submission is correct, especially the presenting author's name and email address.

Please ensure that the video file meets the following specifications. Files that do not meet the specifications will need to be re-uploaded.

Video file format	mp4
Duration	7 minutes max.
File size	500MB max.
Dimensions	aspect ratio of 16:9 preferred
Filename	abstractnumber.mp4 (e.g., 858.mp4. You can find the abstract number in the acceptance email).
Resolution	maximum 720p. Please note that the default resolution in most cameras would be higher than 720p and would produce very large files. You might want to change the resolution on your camera before recording. You can also compress the video using iMovie (in Mac) or Handbrake (open-source free programme for Windows).

### (2) Pre-recorded or Poster Session

You have the option to submit a 10-minute pre-recorded video or a digital poster. The presenters are also required to send a video presentation by 10 July or a digital poster by 14 July 2021.

#### Digital poster

Your poster should not be larger than an A0 paper size. The poster should be saved as a single pdf file (not exceeding 10MB) and uploaded here: <https://app.oxfordabstracts.com/stages/1424/submitter>

Please name the file as abstractnumber.pdf (e.g., 858.pdf. You can find the abstract number in the acceptance email).

In addition, kindly verify that all information on your submission is correct, especially the presenting author's name and email address.

### **Pre-recorded video**

Please upload your video presentation file to any cloud service such as Google Drive, OneDrive, Dropbox, or Box and create a sharable link. Provide us with a link to the file via the submission form here: <https://app.oxfordabstracts.com/stages/1424/submitter> In addition, kindly verify that all information on your submission is correct, especially the presenting author's name and email address.

Please ensure that the video file meets the following specifications. Files that do not meet the specifications will need to be re-uploaded.

Video file format	mp4
Duration	10 minutes max.
File size	500MB max.
Dimensions	aspect ratio of 16:9 preferred
Filename	abstractnumber.mp4 (e.g., 858.mp4. You can find the abstract number in the acceptance email).
Resolution	maximum 720p. Please note that the default resolution in most cameras would be higher than 720p and would produce very large files. You might want to change the resolution on your camera before recording. You can also compress the video using iMovie (in Mac) or Handbrake (open-source free programme for Windows).
